### Instructions for New Zoom Participants:

Make sure you have downloaded and tested the Zoom app from the App Store or Play Store or the Zoom software from <http://www.Zoom.us> website. If you want to create an account, go ahead and set this up but it is not required. Make sure what you download is free: when downloading they usually search in one of their apps for “zoom app free” and then install “Zoom Cloud Meetings”. On some i-phones, a valid credit card may be needed but make sure you are NOT purchasing anything. The free app is all you need. You only do these steps once.

When you are ready to join a meeting:

- 1) Go to [zoom.us](https://zoom.us) website or click the app on your phone
- 2) Click Join a Meeting
- 3) Enter the appropriate Meeting ID# from above

When making selections, allow Zoom to use your camera and your audio so that you can communicate. Please test the video and audio settings prior to attempting to enter a meeting and understand how to mute and unmute yourself as well as how to turn your video on and off. If you have trouble, contact the person that invited you to the meeting or contact Scott or Mike at:

[scott@basesrecoverycenter.org](mailto:scott@basesrecoverycenter.org) or [mike@basesrecoverycenter.org](mailto:mike@basesrecoverycenter.org) and we will do our best to help you. Comments or suggestions, can be directed to Scott's email. Thanks.
